SRR Planning Process: Planning Guide

Technical Assistance: Planning Guide

- Work with team of stakeholders and TA provider to complete each section of the Planning Guide in phases
- Fill out exercises prior to NRRC monthly calls with your TA provider
 - Send to TA provider exercises prior to calls
 - Discuss exercises on calls
 - Update the exercises as changes occur
- TA to inform exercises and plans

Establish Task Force and Planning Process

- Review of vision, mission, and goals
- Relationship with other agencies and grants
- Environmental scan
- Establish planning team, work groups, engage partners and stakeholders
 - Team members and support for project
 - Key partners, service providers, and stakeholders
 - Need for additional outreach

Analyze Recidivism Data and Set Goals

- Define and measure the statewide recidivism rate
- Understand key drivers of the recidivism rate
- Identify a target population for interventions and policy changes based upon those key drivers
- Set recidivism reduction goals for the target population and statewide recidivism rates.

Review Policies, Practices, and Programs

Use Recidivism Reduction Checklists to assess current reentry policies and practices related to three goals:

- Use risk and needs assessments to inform resource-allocation decisions and individual case responses
- Establish programs and practices that reduce recidivism and ensure they are implemented with fidelity
- Implement community supervision policies and practices that promote successful reentry

Develop FY18 Implementation Proposal

The Planning Process

- Systemic capacity-building
- Expanding evidence-based interventions

SRR Grantee Experience

- 
- Nevada**
 - FY15 Planning grant
 - FY16 Implementation grant

Nevada's Plan

Nevada Risk Assessment System (NRAS – Modeled after ORAS)

- NDOC in partnership is in the process of validating the NRAS for Nevada's population
- Currently identifying and addressing criminogenic needs of our offender population for program development and placement
- Case Planning processes will begin in year two of the SRR Grant based on limited case management training

Workforce Development

- Partnering with Parole and Probation to implement NRAS in Parole.
- EPICS training conducted in conjunction with Parole and Community Partners .
- Expanding base of Community and state agency partners
- Providing Continuity of Care, Programming, Medicaid Eligibility
- Training and adopting evidence-based practices for re-entry (i.e. MRT)

Nevada's Plan

Quality Improvement

- Staff Training that requires competency testing – not just attendance
- Qualitative and Quantitative Audit Instruments are currently being developed
- Conducting a review of all Evidence-Based Programs to provide a smaller number of programs with efficiency and fidelity, rather than a larger number of ineffective programs
