The Council of State Governments Justice Center

We are a national nonprofit, nonpartisan organization that combines the power of a membership association, representing state officials in all three branches of government, with policy and research expertise to develop strategies that increase public safety and strengthen communities.

Justice and Mental Health Collaboration Program

JMHCP supports innovative cross-system collaboration for individuals with mental illnesses or co-occurring mental health and substance use disorders who come into contact with the justice system.

The U.S. Department of Justice Bureau of Justice Assistance

Mission: BJA provides leadership and services in grant administration and criminal justice policy development to support local, state, and tribal law enforcement in achieving safer communities.
