A map of the United States, including Alaska and Hawaii, is shown in a light gray tone. Overlaid on the map are numerous circular icons in four colors: yellow, green, blue, and light blue. Each icon contains a white symbol representing a different aspect of the legal system: a car (traffic law), a gavel (judiciary), a prison (corrections), a courthouse (general law), and a network of nodes (technology or cyber law). The icons are scattered across the map, with a higher concentration in the eastern half of the country.
